

St. Louis District Turners

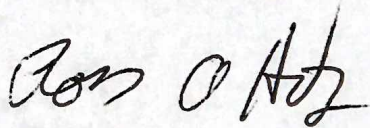

October 4, 2018

Dear American Turners Council Members,

The St. Louis district has been approached by a group of individuals wishing to start a new Turner Society. The potential name would be the Imperial Turners joining the St. Louis District. They have 25 interested parties. There are only a few leaving existing Turner Societies.

A simple majority of the voting delegates of the St. Louis District approved the acceptance of the proposal of the Imperial Turners of the St. Louis District.

With Turner Greeting,

A handwritten signature in black ink, appearing to read "Ross Hetz". The signature is written in a cursive style with a large initial "R" and "H".

Ross Hetz
St. Louis District Turners President
